

## Your Triumph

Triumph's accessories cover the equivalent of 120,000 miles real world riding in two weeks on a specially built track prior to approval. Further rigorous testing includes humidity, salt spray, durability, fit and function tests.

Your Triumph may require additional products to allow fitment of selected accessories. Please refer to your authorised Triumph dealer for confirmation. Please go to [www.triumph.co.uk](http://www.triumph.co.uk) for full terms and conditions.
